

R455B_400V

wide belt sander

- the unilateral opening enables the processing of larger workpieces (sanding capacity up to 914 mm)
- predestined for grinding of window frames
- oscillation ensures perfect grinding results and maximizes grinding belt utilisation
- quality crafted cast iron frame with extension on rails
- feed speed stepless adjustable
- powerful (2.2 kW) and quiet induction motor
- depth scale (metric and inch) provides information about the thickness adjustment
- easy and faster belt change
- rugged, rubberized sanding drum
- suction port (Ø100mm) on top of the machine

R455B_400V

wide belt sander

technical details

motor power s1 in W	2200	feed speed	1,8-6,7
speed in min-1	1420	voltage	400V / 3 / 50Hz
total dimensions in mm	960x740x1550	dust collector port in mm	100
min. workpiece thickness in mm	6	max. workpiece thickness in mm	127
drum diameter in mm	82	max. sanding width in mm	457
belt dimensions in mm	457x1010	belt speed	24
sound pressure level in dB(A)	82	net weight in kg	215
gross weight in kg	247	packaging height in mm	1.740
packaging width in mm	860	packaging length in mm	1.030
EAN code	9120058372438
