

# ABS850\_230V

dust collector

- big performance with a low space requirement
- mobile and quiet
- including suction hose
- Impeller made of metal
- suction hose length 2m

# ABS850\_230V

dust collector

## technical details

|                             |      |                               |               |
|-----------------------------|------|-------------------------------|---------------|
| motor power s1 in W         | 750  | voltage                       | 230V / 50Hz   |
| motor power s6 in W         | 1050 | dust collector port in mm     | Ø 100         |
| suction performance in m³/h | 850  | chip bag capacity in l        | 40            |
| chip bag diameter in mm     | 280  | chip bag length in mm         | 900           |
| fan wheel diameter in mm    | 230  | hypotension in Pa             | 800           |
| sound power level in dB(A)  | 78   | sound pressure level in dB(A) | 76.6          |
| net weight in kg            | 23   | gross weight in kg            | 26            |
| packaging height in mm      | 410  | packaging width in mm         | 450           |
| packaging length in mm      | 760  | EAN code                      | 9120058372414 |
