

## ABS1500FF\_400V

dust collector

- complete with cartridge filter
- large filter area allows for big air passage
- steel fan wheel resistant to suction of small pieces of wood
- constant extraction force even during long operations
- solid steel plate construction which keep static charge to a minimum - compared to plastic housings
- uncomplicated, quick bag change
- includes carriage with castors for high mobility
- 2,2 m<sup>2</sup> filter area

**Included in delivery:** Cartridge filter FP1, floor suction device, waste bag, carriage
