

KOS2600C_400V

belt sanding machine with oscillation

- Sanding unit steplessly tiltable from 90 to 45°
- Oscillation with an independent gear driven motor
- Round sanding table with separate dust collection enables the precise sanding of round edges
- Spring mounted belt tension neutralizing belt length variations and precision guided rollers
- ensure best sanding results
- Graphite coated contact surface minimizes belt friction and prolongs the lifetime of the belts

included in delivery: mitre gauge, sanding belt, round sanding table

KOS2600C_400V

belt sanding machine with oscillation

technical details

motor power s6 in W	4200
voltage	400V
dust collector port in mm	100
belt speed	20 m/s
gross weight in kg	230
packaging width in mm	760
EAN code	9120039901268

motor power s1 in W	3000
table size in mm	750x300
belt dimensions in mm	2600x150
net weight in kg	180
packaging height in mm	1.160
packaging length in mm	1.480
